Judges feedback on areas for consideration									

Business and Commercial Assessment

		Gold 10-9	Silver Gilt 8	Silver 7-6	Bronze 5
A1	<u>Plant Selection</u> Are the plants suited to their growing conditions and location and is there year round interest (where appropriate)?	Excellent plant selection with almost no exceptions and extensive year round interest.	Plant selection overall is very good with only a few exceptions and ample year round interest.	Plant selection is generally good . There is room for improvement in some areas in order to extend year round interest.	Plant selection is satisfactory however it requires further consideration in order to extend the season and maintain interest.
A2	<u>Plant Quality</u> Are the plants vibrant and grown to their full potential? Are they free of all pests and diseases?	Plant quality is excellent and grown to full potential with no evidence of pests and diseases.	Plant quality is very good with few exceptions. There are minimal signs of pests and disease present.	Generally plant quality is good but not consistent. Pest and diseases are present in a few locations. Lack of vigour in some areas.	Plant health and vigour could be improved but are generally satisfactory . Pests and diseases are present in certain areas.
A3	<u>Maintenance of Planted areas</u> Are areas maintained to a high standard including Baskets and troughs, cultivation, weeding, feeding, pruning, grass cutting and edging where appropriate? Tree and shrub maintenance including planting initiatives, if appropriate.	Excellent standards of cultivation. Very consistent throughout. Maintenance and general care is outstanding in all areas.	Standards are very good with few exceptions. Maintenance is managed very well and the results are very consistent.	Standards are good and fairly consistent. There are a few exceptions where further attention is required.	Standards are generally satisfactory . However, the maintenance programme requires further attention to detail in some areas.
A4	<u>Overall Impression</u> Are the overall design and materials used appropriate to the location and do they generate an obvious WOW factor?	Excellent attention to detail delivering the desired results in a most consistent and appropriate manner creating the WOW factor.	Most areas have high impact and very good attention to detail though a few are not compatible. There is a WOW factor. The entry is generally very good.	Good overall effect although not always balanced. Some areas make an impact others need to be more vibrant and embrace better design.	Although satisfactory more attention to detail is required in order to create more impact and design. Limited WOW factor.

Business and Commercial Assessment

		Gold 10-9	Silver Gilt 8	Silver 7-6	Bronze 5
